TUXEDO RENTALS POLICY

We are very happy to help you with your tuxedos. The following guidelines will help to insure that the process goes smoothly.

1. All tuxedos must be ordered two weeks before the wedding
2. A deposit of half is required when ordered. The balance is due the day of pickup. No tuxedo will be taken without full payment.
3. For out of town groomsmen, please print the measurement form and take to formalwear shop and be measured. This is usually provided at no charge.
4. Tuxedos are usually in the shop on Wednesday before the wedding. Tuxedos should be tried on by noon on Thursday to make any adjustments required by our supplier.
5. Tuxedos must be returned by the first business day after the wedding. This is usually Monday unless otherwise specified.
6. The bridal couple is ultimately responsible for payments and returns of the tuxedos.
